Student Gov't. President
Marsha Artis

Greetings,

Thank you for the "Vote" of confidence that you have invested in me. It is my fondest hope that the Artis Administration has brought you 'fulfillment' during the 1979-80 school year. As we look back on our 1979-80 term at Savannah State College I hope that we can say—"1979-80 was one of the best years in SSC's history." Again thank you for your confidence SSC.

Sincerely,
Marsha Artis, SGA President

Here at the College by the sea we have proclaimed this to be *"The Year Of The Tiger"*, for our years here have been filled with almost every endeavor a tiger can undertake.

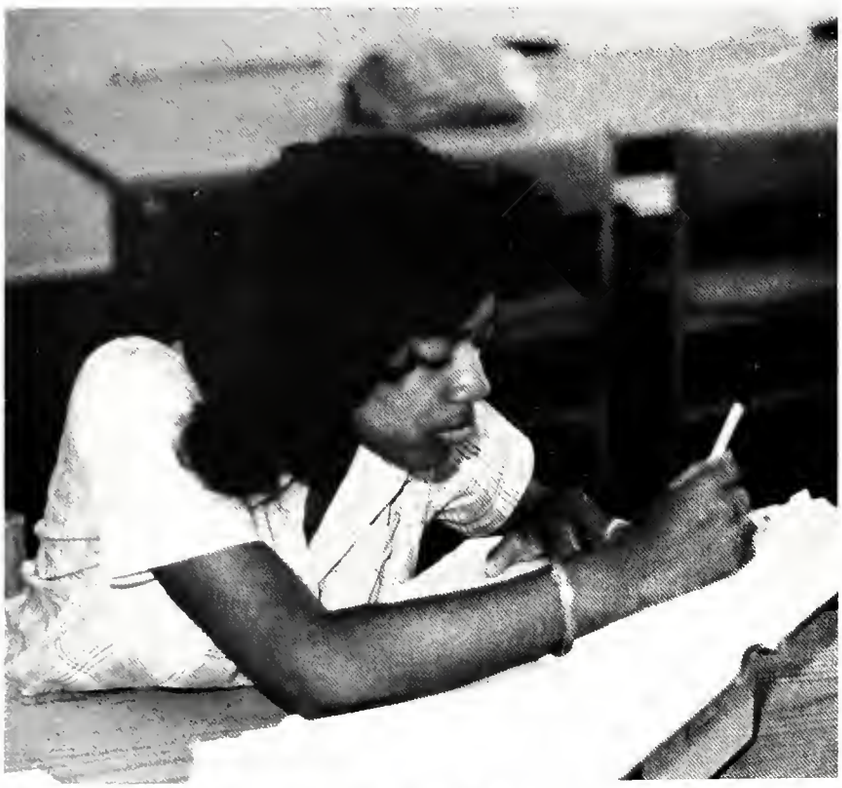
COLLEGE AND ATTENDANTS

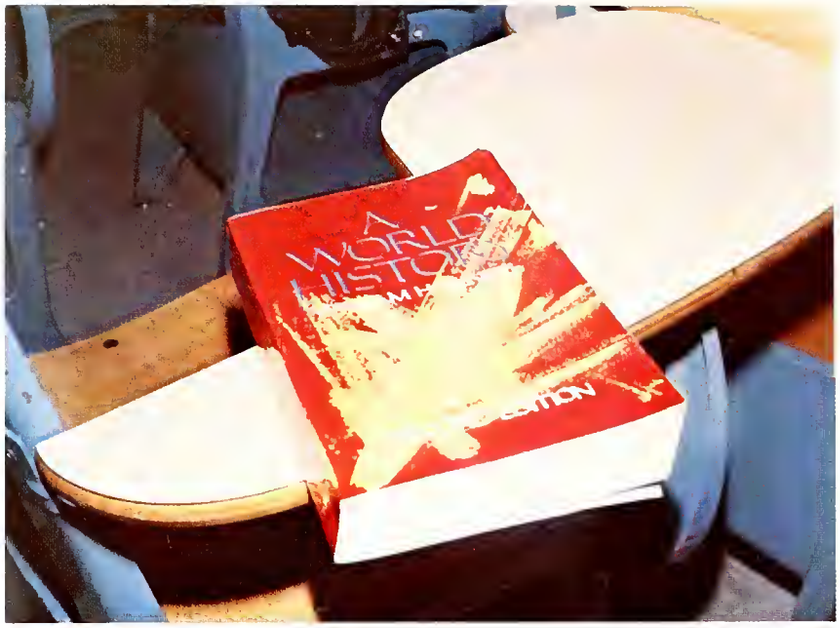
Reigning as Miss Senior Attendant to Miss SSC is Alice Denise Lloyd (top left). Ms. Lloyd is majoring in Criminal Justice minoring in Political Science. Upon graduation Alice plans to attend law school. Her hobbies are reading and dancing. Miss Junior Attendant is Lazelda Hudson. Reigning as Miss Sophomore Attendant is ReGale Bing. Ms. Bing is a mathematics major with a Computer Science minor. Miss Charlyne Lawrence is Miss Freshman Attendant. She is a native of Atlanta, GA.

We began our daring venture with many obstacles and woes to delay our adventurous trek.



We were freshmen then, and we cautiously pawed our way toward our baccalaureates in the Arts and Sciences. After getting acquainted with our history, purpose, and programs, we considered ourselves sophisticated sophomores . . . being ever mindful of the many traps that could have been set for us, etc. . . .

SGA Vice-President, Dwight Jordan speaks to the *Student Body.*



We turned our attention to more meaningful things such as . . .

Just in the clearing beyond the brush, we had more time for fun and laughter,

and we dressed the part for such activities as . . .

We give "Thanks and Praise" to those who have helped us in our quest for knowledge and achievement . . .

We shall strive unceasingly to bring to the name of our ALMA MATER all the honor which it deserves, and of all that we will remember of days spent prowling in the paths of THE COLLEGE BY THE SEA, we will remember the best—THE YEAR OF THE TIGER.

—Bill Obuya Curry

Now we can reminisce about such tribulations as disciplinary measures, for we have run the gauntlet;

We are full-fledged members of a great society, poised tentatively on the edge of full-flowering hope and promise for the future.

We have made our footprints in the legend of Savannah State College.

Mrs. Geraldine Abernathy

On behalf of the 1980 TIGER staff we dedicate this book to you, Mrs. Geraldine Abernathy for your many years of service and dedication that you have shown the many students at Savannah State College. *May God Keep and Continue to Bless You. WE LOVE YOU.*

THANKS FOR BEING "*YOU*"

Mrs. Geraldine Abernathy has dedicated over thirty-two years of service to Savannah State College. She has been busy about the business of keeping the body as well as the mind physically fit. How can one say thank you for thirty-two years of loyal service? We, the TIGER staff, feel that one small way to say thanks is by dedicating the 1980 TIGER to Mrs. Geraldine Abernathy, educator and friend. *WE LOVE YOU.*

THE HOMECOMING GAME

VICTORY AT HOMECOMING

Savannah State Rips Past Albany St., 23-0

Statistics

Yards passing	145	193
Passes	9-19-1	16-41-3

The Savannah State Tigers used big plays, and a lot of defensive hustle to defeat Albany State 23-0 for a big homecoming win at Savannah State Stadium.

The Tigers opened the game with an impressive drive moving to the Golden Rams' six when the drive stalled.

Ricky Childs came in and kicked a field goal to give the Tigers an early 3-0 lead.

SSC set up its first touchdown when Walker intercepted a Ronald Allen pass at the Albany State five yard line.

The Tigers had trouble getting the ball in, as Chuck Ransom was called for throwing to one of his offensive linemen, and SSC was faced with a fourth and 30 at the Rams 42.

Instead of punting, Stanley Ellis took the snap and hit Willie Tarver with a 15-yard pass. Albany was guilty of a personal foul on the play, giving Savannah State a first and goal at the ASC seven-yard line.

Three plays later Kenny Dawson lunged in from the one to give the Tigers a 9-0 lead at the half.

Albany's only threat came early in the third quarter as the Rams threw three passes to set up a first and ten at the Savannah State 34-yard line.

On third and three Ram quarterback Allen threw to flanker Donald Cotton, but Tiger cornerback Roland Wallace leaped for the interception to squelch the drive.

With the ball at its own 20, SSC ran one play-off tackle, with Sam Lewis picking up five yards. Chuck Ransom was replaced at quarterback by Greg Slocum, and the senior slinger stepped back and threw a 75 yard touchdown strike to Reggie Tindall. Ellis threw to Kenneth Norwood for the PAT giving the Tigers a 17-0 lead.

The Tigers capped the game off when Slocum threw to Tindall for a 10-yard touchdown in the fourth quarter.

GREEK LETTER

WELCOME to the Greek Letter Organization section of your college yearbook. I hope that you will enjoy browsing through the many fun-filled events of the 1979-80 school year formulated by the Greeks of Savannah State College

They say, "GREEKS HAVE MORE FUN," What is your opinion?

I would like to apologize for not having photographs of Phi Beta Sigma, and Zeta Phi Beta, but due to unforseen difficulties they were unable to assemble themselves in time to meet the deadline for this publication. I hope that in future years all greek letter organizations will stick together and cooperate with the Yearbook staff and make the Greek Section even better.

GREEKS IN ACTION

ALPHA PHI ALPHA

The first Black Greek Letter Organization, founded in America, Alpha Phi Alpha, was conceived during a time when blacks were being disenfranchised and lynching was widespread, by Henry Collis, Charles Chapman, Eugene Knickle, George Kelly, Robert Ogle, and Vertner Tandy. These men are referred to as the "Jewels" because they banded together because of the social and racial limitations placed on them. Dec. 4, 1906, in New York at Cornell University is the birthplace and date of the world's pioneer black greek organization.

Delta Eta was founded in 1949 to carry out the aims of the fraternity, manly deeds, scholarship and love for all mankind. It was founded by 20 of the college's outstanding young men.

The Savannah State Tigers used big plays and a lot of defensive hustle to defeat Albany State 23-0 for a big homecoming win.

With the win, SSC took a 5-3-1 record into its final game of the season, and the Tigers had a chance of equaling the 6-3 mark set in '72.

The Tigers opened the game with an impressive drive moving to the Golden Rams' six when the drive stalled.

Ricky Childs came in the kicked a field goal to give the Tigers an early 3-0 lead.

SSC set up its first touchdown when Tim Walker intercepted a Ronald Allen pass at the Albany State five-yard line.

The Tigers had trouble getting the ball in, as Chuck Ransom was called for throwing to one of his offensive linemen, and SSC was faced with a fourth and 30 at the Rams 42.

Instead of punting, Stanley Ellis took the snap and hit Willie Tarver with a 15-yard pass. Albany was guilty of a peronal foul on the play, giving Savannah State a first and goal at the ASC seven-yard line.

Three plays later Kenny Dawson lunged in from the one to give the Tigers a 9-0 lead at the half.

Albany's only threat came early in the third quarter as the Rams threw three passes to set up a first and ten at the Savannah State 34-yard line.

On third and three Ram quarterback Allen threw to flanker Donald Cotton, but Tiger cornerback Roland Wallace leaped for the interception to squelch the drive.

With the ball at its own 20, SSC ran one play tackle, with Sam Lewis picking up five yards. Chuck Ramson was replaced at quarter-back by Greg Slocum, and the senior slinger stepped back and threw to Kenneth Norwood for the PAT giving the Tigers a 7-0 lead.

The Tigers capped the game off when Slocum threw to Tindall for a 10-yard touchdown in the fourth quarter.

Halfback Kenny Dawson led all runners with 113 yards on 22 carries, and Stanley Stephens took top running honors for the Rams with 79 yards on three carries.

SSC two quarterback's Chuck Ransom and Greg Slocum connected on nine of 19 passes for 145 yards and two touchdowns.

The loss knocked ASC to 1-8 on the year with one last game at Ft. Valley State.

Savannah State Coach Frank Ellis naturally was happy with his team's performance. "This was a big win for us because we now have a winning season. But we cannot stop now, we have to knock-off Knoxville to make our season 6-3-1," he said.

"Our seniors have done a good job of getting the younger players up for every game. This has paid off during the last few games because we have needed these players to fill in for our tired starters and the young guys have played well."

SSC Battles Fisk In Tie Game, 14-14

The Savannah State Tigers came on strong against Fisk University in their conference contest in Nashville. The Tigers racked up 2 touchdowns within 14 minutes to build a 14-0 lead in the first half of play. However, the Tigers had to settle for a 14-14 tie with the not-to-be-outdone Bulldogs.

SSC opened the game with a bang as Randall Barnes returned the opening kickoff 45 yards to the 39 yard line of Fisk. Six plays later, Tiger signal caller Chuckie Ransom connected with Tony McKinney for 21 yards and 6 points as the Tigers drew first blood.

The Tigers kept the adrenalin flowing with quarterback Ransom hitting sticky-fingered spilt end Tim Jordan with a 19 yard scoring pass with all of 12:52 remaining in the half. The Tigers made good a two-pointer with a pass from punter Stanley Ellis to Mike Shaner and the Tigers were ahead 14-0.

The Tigers appeared to be headed for yet another touchdown in the first half when halfback Ken Dawson coughed up the football. It was recovered by Bulldog defensive tackle Isaac Boykin who romped 40 yards for Fisk's first touchdown. The half ended with the Tigers' lead cut in half, 14-7.

Fisk knotted the score 14-14 in the 3rd period when Bulldog quarterback Clinton Young hit Art Cashwell with a 25 yard scoring toss.

Tiger Head Coach, Frank Ellis observed that his Tigers turned in their best offensive performance to date this season, chalking up 378 total yards. Halfback Kenny Dawson chewed up 139 of 177 yards rushing and quarterback Ransom sliced the airspace over Nashville for 201 yards.

Ellis also observed he feels his Tigers getting better each week, and he had high praise for his Tigers' defense who held the Bulldogs offense to a −10 yards rushing. Ellis indicated he would stress the development of more consistency in this week's practice sessions.

TIM WALKER IS KODAK ALL AMERICAN

Tim Walker, Savannah State College's four time All-SIAC linebacker, has been named to the Kodak All American Team (College Division I) first team on defense. Tim also made honorable mention AP Small College All American, Atlanta Journal All-SIAC team, All Conference SIAC, Outstanding Athlete Award of the 100% Wrong Club, and Finalist Georgia Amateur Athlete of the year.

Walker is a graduate of Northside High School in Warner Robbins, GA. In High School he was an All-State football player and played in the GA. High School Association's All-Star game where he served as co-captain.

Tim was recruited by over 50 major colleges and universities which included Clemson, Louisville, University of Tennessee, Michigan State, Georgia, Georgia Tech, Navy, Mississippi, The Citadel, Alabama, Florida State, South Carolina and Troy State.

Only three black schools recruited Tim Walker—Savannah State, Fisk, and Tennessee State.

"I decided that I was going with the first black college that recruited me. Intiially, Savannah State was the only black school to recruite me," said Walker in response to why he ended up playing at Savannah State."

Walker went to say, "when I was in high school, it seemed a shame to me that so many black athletes think that the only way that they can make in college football and to the pros ranks is to play at a mostly white college. So I wanted to prove to myself and to others that it is not where you play but how you play. One can also use this philosophy in life—because a man can make something out of himself if he wants to in any situation.

"I always wanted to go to a black college. And even after I had visited numerous college campuses I knew that Savannah State was where I wanted to play SSC was close to home and my parents could come see me play. My brother, Brian Walker, played first string defensive back at Savannah State for four years and was co-captain his junior and senior years. This was another factor that led me to savannah state college."

When asked what place professional football and education held in life. Tim stated, "I would like to play professional football-It is a goal that I have but it is only one of my goals in life. I definitely want to finish my education at Savannah State."

Tim is a physical education major who is carrying a 2.40 grade point average on a four point scale. He feels that his average should be higher but does not see football as taking away from his academics—"I haven't taken as much time with my subjects as I should. During my freshman year I was less than enthusiastic about studying and grades. Now I find myself trying to make up ground that I lost academically during my freshman year. It is never to late to catch up. Coach Ellis really stressed grades and keeping one's academic average up to par."

Walker was nominated to be voted on to play in the Black College All Star game that was held on January 5, 1980 in the New Orleans Superdome. Walker states, "I would like to play in the bowl. It will be a real high point in my career. It is something that I can talk about for a long time—that I was considered as one of the top black college players in America."

Tigers Spurt by B-C, 70-58

Harold Hubbard, Ronald Glover, and Levi Williams combined for 64 points as the Savannah State Tigers recorded their fifth straight win with a 70-58 whipping of Bethune-Cookman at Wiley Gym.

Hubbard, working from both the middle and the outside, tossed in a game-high 24 points to lead the Tigers while Glover had 22 and Williams struck for 18 as Savannah State steadily wore down the visitors with a stingy zone defense and will-run offense quarterbacked by point guard Charles Wilson.

"Ronald Glover is really coming on now," said Head Coach Russell Ellington. "You know that Harold and Levi are usually going to be on, and when you add to that Glover and Charles Wilson, whom I thought did an excellent job of running our offense, then you really have someting."

Both teams started out cold from the floor, as almost two minutes had elapsed before Bethune's Norris Clemons hit a jumper from the corner for the game's first score. Another Clemons jumper thirty seconds later made it 4-0, Bethune-Cookman's biggest lead. A pair of baskets by Glover and a Hubbard dunk off a lob pass from Wilson put SSC up 6-4, and visitors never pulled even or went ahead again.

The game stayed close throughout the first half, as the Tigers could manage no lead greater than five points until the closing minutes of the half. With the score 21-18, SSC reeled off eight unanswered points on a layup by Glover, a Hubbard jumper from the head of the circle, another Hubbard dunk and a Williams bucket inside.

The spurt enabled the Tigers to go out at the half leadhng hy 11, 33-22.

In the second half, the game's tempo increased, with both team's becoming more accurate from the field.

With 7:10 remaining in the game, Hubbard gave the Tigers a 59-42 advantage with an overhead slam dunk off a fast break.

Following a Bethune-Cookman basket by Darrell Gadsden, Hubbard showed Savannah State's answer to Daryl Dawkins, as the 6-8 senior repeated the two-hand stuff, this time with such force that the collapsible im dislodged from the backboard, forcing a short delay in the game to push the rim back up and sending the crowd into a frenzy.

A Hubbard jumper with 4:14 left in the game gave the Tigers their biggest lead of the night 69-50.

"I thought we played a good game, considdring," said Ellington. "They (Bethune-Cookman) have a good team; they have a lot of good leapers. But we were able to avoid giving up any easy baskets inside until there late in the game. At one point we went through a seven minute period and only gave up four points and that's good defense."

Gadsden led Bethune-Cookman with 16 points while Clemons added 14. The SSC defense held Bethune's Anthony Chester, who came into the game averaging 29.7 points per game to just eight.

Tiger Trio Leads State to Win

ATLANTA—The Savannah State College Tigers completed their march to Atlanta here Saturday night, winning the battle of the cats by defeating the Morehouse College Maroon Tigers, 79-90, in a non-conference game at Morehouse.

The 14th-ranked Tigers, paced by 20-point performances by Levi Williams, Harold Hubbard and Ronald Glover and Charles Wilson's career-high 15 assists, simply outplayed the home team.

Shooting a scorching 58 percent from the field, the Tigers, now 12-2 jumped to a 26-18 lead with 9:48 remaining in the first half on the strength of Hubbard's two dunks and Williams' eight points. The Tigers coasted to a 46-34 lead by intermission.

SSC began thd second half just as it ended the first, stretching its lead by as many as 24 points before slowing the tempo down in the final 10 minutes.

The Tigers experienced one of the best shooting nights of the season as Williams, Hubbard, and Glover hit jumper after jumper, exciting the Maroon Tiger fans and the more than 200 Tigers fans who had journeyed to the game.

The Tigers, for the first time under Russell Ellington, won both games on the two-game road trip the Atlanta schools after dropping a contest to SIAC foe Lane College, SSC stopped Clark College, Friday night 64-61.

In that game, Williams scored 20 points to lead the Tigers to their fourth Southern Intercollegiate Athletic Conference (SIAC) win against one loss.

State was rated 14th in Division III basketball at the beginning of the week. The Tigers have only beaten this year by Paine Colege and Lane of Jackson, Tennessee.

SSC returns to Savannah on January 23, 1980 to face Morris Brown in a non-conference contest at Wiley gym.

The Tigers will take on Paine College at home on January 26 before facing Clark College January 28 in an SIAC contest.

THE YEAR OF THE TIGER

Now, as in the days of old, each year of the century bears a symbol to signify the productivity of the year. Here at The "College by the Sea" we have proclaimed this to be "The Year of the Tiger," for our years have been filled with almost every endeavor a tiger can undertake. Times here on our newly floricultured academic jungle have ranged from chaotic calamity to frolicking festivals.

We began our daring venture with many obstacles and woes to delay our adventurous trek. We were freshmen then, and we cautiously pawed our way toward our baccalaureates in the Arts and Sciences. After getting acquainted with our history, stalking our prey through the high grass of the savannahs, being ever mindful of the many traps that could have been set for us, to lead to our academic probation, suspension, or dismissal.

We turned our attention to the more meaningful things such as the Rising Junior, academic achievements, and honors. Just in the clearing beyond the brush, we had more time for fun and laughter, and we dressed the part for such activities as assemblies, games, and dances.

Now we can reminisce about such tribulations as disciplinary measures, for we have run the gauntlet; we are full-fledged members of a great society, poised tentatively on the edge of full-flowering hope and promise for the future. We have our footprints in the ledgend of Savannah State College.

We give "thanks and praise" to those who have helped us in our quest for knowledge and achievement, confidence in ourselves. We shall strive unceasingly to bring to the name of our Alma Mater all the honor which it deserves, and of all that we will remember of days spent prowling the paths of The "College by the Sea," we will remember best, *The Year of the Tiger.*

President's Message

SAVANNAH STATE COLLEGE
STATE COLLEGE BRANCH
SAVANNAH, GEORGIA 31404

OFFICE OF
THE PRESIDENT

PRESIDENT'S MESSAGE

I should like to express my gratitude and appreciation to the Editorial Staff and Advisors of the 1980 Tiger for the production of this noteworthy publication. You have captured in pictures many of the College's activities which will be a source of joy and pride for the entire Savannah State College Family for years to come.

The Tiger has over the years been considered one of the College's most interesting publications. It means different things to the various groups associated with the institution. To the members of the Editorial Staff and Advisors, this publication brings memories of long hours used in the development of the document; and to the Seniors, it provides an opportunity for them to distinguish themselves from the rest of the students by receiving special recognition. To the members of the faculty, it keeps alive the many moments of intellectual interchange between themselves and students of the different classes. In summary, it affords the opportunity for each individual to relive many phases of college life in a reflective mood.

May fond memories of the relationships established here with the faculty, the staff, and peers give members of the 1980 Class renewed strength to move enthusiastically toward their professional goals.
